1. CURRENT SITUATION:

A. BACKGROUND:

There were two waves of widespread severe weather on April 27, 2011. They first moved through during the early morning hours across northern portions of central Alabama producing widespread damaging straight line winds and isolated tornadoes. The second wave involved numerous supercell thunderstorms and produced long lived, strong to violent tornadoes across the northern two-thirds of central Alabama. There was widespread and catastrophic damage in several locations throughout the State.

D. UTILITIES:

▪ POTABLE WATER/SEWAGE TREATMENT SYSTEMS:

There are no new deployments this operational period.

AL Rural Water Association EMC and ALNG EMC have done an excellent job of helping fill generator requests that have come in from communities throughout North Alabama. As requests for back-up power generators continued, we had to depend more heavily on resources that were available from the USACE and from Garner (a contractor). USACE staged generators at Maxwell AFB and assessment teams were made available to assist communities with their generator needs. Garner staged generators at John Hunter Park in Huntsville, AL and hook-up and re-fueling teams were available.

▪ **ELECTRIC POWER:**

▪ **GAS PIPELINES:** No reported shutdowns

▪ **COMMUNICATIONS:**

- Southern LINC: 100% of the sites are operable statewide
- AT&T – 99% of cell phones back in service
- Verizon – 2 cell sites out in Cherokee and Tuscaloosa counties

▪ **FUEL SUPPLIES:**

○ **ADAI Weights & Measures Division**

Due to numerous complaints of rising gasoline prices, price gouging, and improper sale methods of fuel in the storm affected areas, the Weights and Measures Section has deployed it's inspectors to investigate these claims and to ensure sales of fuel are fair and lawful. Any sales that were found to be unlawful were stopped.

▪ **SEWAGE TREATMENT:** Nothing to report at this time

B. EMERGENCY SERVICES BRANCH:

- ESF- 1 –Transportation (ALDOT)
 - Summary: ALDOT has approximately 510 personnel directly involved in the recovery efforts today: clearing debris from edge of pavement, supporting other State agencies/local governments, installing/repairing traffic signals and signs, surveying damage or making repairs to highway infrastructure.
 - 1st Division (Cherokee, Cullman, DeKalb, Etowah, Jackson, Limestone, Madison, Marshall, Morgan) 121 personnel actively involved in Storm recovery. We are soliciting contractors for debris removal in several locations, district by district. Bids due by Friday. All districts now have power restored. (4) personnel from district 1 deployed in 2nd division.
 - 2nd Division (Colbert, Frank, Lauderdale, Lawrence, Marion, Winston) 108 2nd Division personnel working throughout Division; crews removing debris from ROW; signal crews working on damaged signals in Phil Campbell; surveying damage, supporting ALDOT personnel; checking roadways for slides and washouts.
 - 3rd Division (Blount, Jefferson, Shelby, St Clair, Walker) 58 personnel deployed division-wide Division. All Roadways are open to traffic. There are significant amounts of trees, limbs and debris that need to be removed from shoulders and right of way. Contracts are being developed for debris removal. Districts are continuing to clear debris back from edge of pavement. Significant sign damage occurred throughout the Division. Sign damage is being assessed to determine priorities on repairs. District 4 is assisting City of Cordova, in debris removal.
 - 4th Division (Calhoun, Chambers, Clay, Cleburne, Coosa, Lee, Randolph, Russell, Talladega, Tallapoosa) 31 personnel... 12 personnel deployed to Fifth Division; 19 personnel performing recovery work within 4th Division. Work in the Fourth Division is concentrated in Tallapoosa Co. on US280 and in Calhoun Co. various locations.

- 5th Division (Bibb, Chilton, Fayette, Greene, Hale, Lamar, Perry, Pickens, Tuscaloosa) 182 personnel working throughout Division. 104 employees from 5th Division; 19 employees from 8th Division; 47 employees from 9th Division; 12 employees from 4th Division. All districts working 12-hour shifts 6 a.m. to 6 p.m. through Friday, May 6th, then return to normal 8-hour shifts. Joint efforts with TDOT working traffic signal repair still lacking three intersections until completion of traffic signal repairs. Road closures: SR 215 is open to emergency personnel and local traffic only; closed to through traffic. All districts working on tree and debris removal to limits of clear zone and then beyond the clear zone to mowing limits. Districts 1 and 4 – will finish cleanup with state forces in approximately one week; Districts 3 and 5 will finish with state forces in approximately 2 weeks; District 2 (Tuscaloosa) state forces will concentrate on routes they can substantially complete for the rest of this week and we will be planning to contract the remaining routes that are not substantially complete.
- 6th Division (Autauga, Bullock, Butler, Dallas, Elmore, Lowndes, Macon, Montgomery) The 23 employees and their equipment on loan to 2nd Division are in route home. All other equipment remains deployed with no status change.
- 7th Division (Barbour, Coffee, Covington, Crenshaw, Dale, Geneva, Henry, Houston, Pike) All 22 employees and all of the equipment deployed to 2nd division are headed back to Troy. The Division Maintenance Engineer believes that their division and district forces along with contractor assistance will be able to handle the remaining clean-up efforts. If this changes, we will assist as needed.
- 8th Division (Clarke, Choctaw, Marengo, Monroe, Washington, Wilcox, Sumter) 37 personnel... 19 personnel deployed supporting recovery efforts in the 5th Division; 13 personnel performing debris removal in Sumter County; 5 personnel performing debris removal in Marengo County.
